Lifestyle 2019

MEMORIES. KEEPSAKES. PHOTOS.

Real life. Your life. The moment that is now, and the moments in between. Clan, Brood, Dynasty, Family. Whatever you call it, you're their memory-keeper. I deliver a collection of moments in your life. Tangible memories that will remind you and others who you are, now. It's not about being perfect. It's not about losing 10 more lbs or wearing matching clothes. It's about being your own person. Kindhearted, silly, loving, mildly-inappropriate, excited, apprehensive, quirky, unique, YOU! *And really, please, skip the matching clothes.*

CELEBRATE FAMILY.
CELEBRATE BEING TOGETHER.
FUTURE GENERATIONS
WILL THANK YOU.

I take pictures of good people.
Wonderful, loving, quirky, sassy, laughing, fantastic, often cheeky people like you!
You are good people! Let's take pictures!

I am Melissa! Koren is my middle name [core-in] *Wilson is my last name...* I am captivated by graph paper or anything square for that matter. It makes my brain happy. I also love neatening things and finding better ways to organize. *This contributes heavily to my Amazon addiction.* I like seltzer in my iced coffee, and I think sometimes Pollyanna has a point. I'm completely obsessed with bourbon, fernet, and Campari, but if all else fails, Titos & soda with a lemon is my go to. My wife and I love finding new places where she can get a good beer and I can get a stellar cocktail! *You should see my IG highlights.* I'm not a vegetarian, but I don't really eat meat. I just don't like it and think there are way better things to eat! Our chef-in-training son just rolls his eyes at me... but he helps me chop the vegetables. *If we're eating at home, which we almost never do.* The older I get, the darker I require my chocolate to be, & the more chocolate I require!

MORE THAN A MINUTE

Because your life is more than posed.
It's more than dress up.
More than just one small cluster of minutes.

It's real.
Silly and quiet and crazy and chaotic.
It's band-aids and stories and playdough and
cuddles.
Messy and clean up time and do your homework
and be nice to your brother.
Running away half undressed, unprompted tickle
fights and more.

Life is unscripted, and so is the more than a minute
session. It's a glimpse inside the moment

What's included:

A morning, afternoon, evening, good portion of the
day that suits your family 'fly on the wall' session.
I'll come to you and after a brief hello and chat my
camera and I will blend into the background.
As you get more comfortable with me there, you
begin to worry less about us (me and my camera)
and go about being yourselves.

After the session, I'll put together your gallery and
share the images with you. You'll be able to pick 5
favorites and receive those images digitally with the
option to purchase them all. You'll also receive
keepsake album telling the story of our time
together.
